

## **DCHS School Accountability Committee (SAC)**

### **What is the SAC?**

The SAC is a state mandated committee of parents, teachers, administrators and a community member that meet monthly to review the status of the school budget and the school improvement plans. Safety issues are also discussed and the committee is responsible for providing input to the District Accountability Committee regarding principal evaluation forms and any other issues that might be of concern.

### **Why would I want to join the SAC or attend a meeting?**

If you are interested in...

- why certain assessments are given
- how assessment data is used
- how school budgets are formed and monies spent
- what improvements DCHS is making in curriculum, programming, and staffing
- what steps DCHS is taking to keep students safe

### ***Attend a meeting!***

If you enjoy...

- working in a collaborative environment
- getting information from the source rather than relying on rumors
- knowing what's going on at DCHS and why
- having input on issues such as budget, school improvement, and safety
- witnessing the dedication, experience, and professionalism of teachers and staff at DCHS

### **What's required to join?**

**You do not have to be a voting member to attend!** However, if you are interested in becoming a voting member stay tuned to the DCHS website for more information on the member application process.
